RE: MUR 7279
Michael Waddell
Bone Collector LLC

Dear Mr. Kobach:

On September 27, 2017, the Federal Election Commission notified your clients, Michael Waddell and Bone Collector, LLC, of a complaint alleging violations of the Federal Election Campaign Act of 1971, as amended (the "Act"). On August 20, 2019, the Commission found, on the basis of the information in the complaint, and information provided by your clients, that there is no reason to believe your clients violated 52 U.S.C. § 30104(c)(1) and dismissed allegations that your clients violated 52 U.S.C. § 30120. In addition, the Commission was equally divided on whether to find reason to believe your clients violated 52 U.S.C. §§ 30116(a) and 30118(a), and equally divided on whether to dismiss the allegation that your clients violated these provisions of the Act. Accordingly, the Commission closed its file in this matter.

Documents related to the case will be placed on the public record within 30 days. See Disclosure of Certain Documents in Enforcement and Other Matters, 81 Fed. Reg. 50,702 (Aug. 2, 2016). One or more Statements of Reasons explaining the Commission's decisions may follow.

If you have any questions, please contact Nicholas Mueller, the attorney assigned to this matter, at (202) 694-1577.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Allen".
